Message from the Manager

Approved by the voters in March 1994 and opened to the public in October 1995, the Woodburn Memorial Aquatic Center is your gift to yourselves. Seven days a week, you can enjoy the benefits of water,

exercise, socializing, learning, and fun at your Aquatic Center. Come join us on Wednesday, October 28th as we commemorate our 14th anniversary. Let's celebrate the benefits we have shared over these many years as we anticipate great experiences yet to come.

Our new ventilation system is finally up and running! The system moves twice as much air as the old one while maintaining significantly lower humidity levels. Come check out our much improved indoor climate.

Eleanor Roosevelt said, "Tomorrow is a mystery. Today is a gift. That is why it is called the present." Visit the Aquatic Center today and take advantage of the present you gave yourself a decade and a half ago who knows what adventures await you.

Operation Weed and Seed is a strategy within the United States Department Justice's Office of Justice Programs that incorporates community-based initiatives. It is an innovative and comprehensive multi-agency

approach to law enforcement, crime prevention, and community revitalization.

Operation Weed and Seed initiative "weeds out" undesirable elements such as violent crime, gang activity, drug use, and drug trafficking in a targeted area of the community. The program then "seeds" the area by restoring those neighborhoods through a variety of social and economic revitalization activities.

MISSION

Through the Weed and Seed Strategy, the community of Woodburn hopes to:

- Identify gaps in services that are essential to successful re-entry to the community after incarceration.
- More effectively identify the children and youth who have the highest level of risk factors that push them into gangs; including but not limited to:
 - > Family Factors
 - > Peer Groups
 - > Social Deficits
 - > Lack of Family Opportunities
 - > School Problems
 - > Juvenile Delinquency
- Enhance the capacity of the community to provide preventative programming for children and youth.
- Enhance the economic viability of the community through sustainable employment.
- Enhance the law enforcement capabilities in regard to violent gang and drug activities.

WOODBURN WEED & SEED

Woodburn Weed and Seed uses a strategy that combines four specific components:

1. Community Policing: bicycles for police officers, increased downtown visibility, Gang Resistance Education and Training (GREAT) for kids, Police/Parole Officer Team home visits, etc.
2. Law Enforcement: Meth Task Force, increased drug and gang arrests and convictions, gang suppression, etc.
3. Preventative Intervention: Community Center (Safe Haven youth programs, parenting classes, etc.
4. Neighborhood Restoration: Neighborhood clean-ups, neighborhood meetings, etc.

If you would like more information regarding this program, you can call Michele Roberts, Weed and Seed Program Coordinator (503-982-5256) or send her an e-mail : michele.roberts@ci.woodburn.or.us

GET INVOLVED!

Weed and Seed is a community-based strategy. The Woodburn Weed and Seed Steering Committee makes all decisions in the direction of the strategy including budgets, projects and staff. The Committee is comprised of members of agencies, civic and governmental agencies, business organizations and residents of Woodburn. The Committee is resident-driven and residents must make up at least 25% of Committee membership.

We are currently seeking residents interested in applying to be part of the Steering Committee. There is a short application process and an attendance commitment to become a member.

If you would like more information regarding this program or an application to become a Steering Committee Member, you can call Michele Roberts, Weed and Seed Program Coordinator (503-982-5256) or send her an e-mail: michele.roberts@ci.woodburn.or.us

Come and use your voice and talents to make a positive difference in your community.

CAN'T COME TO THE LIBRARY? THE LIBRARY COMES TO YOU!

Are you stuck at home? Our Homebound program brings books to people who can't get to the library due to illness or disability. Call the Library at (503) 982-5252 and ask for Christine, our homebound librarian. After a brief interview, we'll choose regular-print books, large-print books, audiobooks or other materials based on your preferences. We offer all kinds of books, from mysteries and romances to true crime and politics. We have books on every topic under the sun, and many are available in large print. Each month you'll receive new selections and have a chance to give feedback and update your choices. With our Homebound program, you can keep up with your favorite authors and keep reading, even if you can't make it into the library.

YOUR LIBRARY STAFF JEANNIE ROGERS

Jeannie Rogers began her career as a part-time Library Assistant at Woodburn Public Library over 20 years ago, after several years as a library volunteer at the Molalla Public Library. After working in circulation for awhile, she gravitated to the Youth Services department. There, Jeannie can indulge her love of a good picture book, reading aloud and making crafts. She plans and presents the weekly Wednesday craft and storytime, where costumes sometimes come into play. But her craft skills are not limited to storytime; she leads crafts for kids of all ages during the summer, and Christmas crafts and gift-making for teens in December. Jeannie also plans the Third Thursday Teen programs every month from September to May and the Teen Summer Reading program and assists with the Summer Reading Program for 0-12 year-olds.

Jeannie's first 14 years as a part-time employee allowed her more time with her two young children, Morgan and Amber. The youngest, Amber, was 15 months old when Jeannie started working at Woodburn Public Library and she tells people that's where she grew up. Both of Jeannie's children have done volunteer work at Woodburn Public Library from an early age, and Morgan has now joined the staff as a part-time page, so we get to enjoy working with two members of the Rogers family. In her spare time Jeannie enjoys reading, perfecting origami skills, reading, testing wheat-free recipes, reading, and – oh yes, reading.
